DEADLINE TO SUBMIT ARTICLES FOR THE OCTOBER "TIDINGS" IS Wednesday, September 20

From the
Pastor's Desk

I like to read books about the church! There are so many books out there explaining the challenges the church faces in being relevant today in our culture and society. One of the grim results we have to face head on is that 90% of the churches are declining while only 10% are growing.

There are many reasons put forth to explain the decline of the church but according to research there is only one common denominator in those churches that are growing and thriving.

Before I tell you what it is, first things first, we have to stop coming up with excuses and do something about it. The churches that are growing and thriving have one thing in common. They all believe in their mission they believe they are making a difference in people's lives. **Those thriving churches believe they solely exist to bring others to Jesus. Their sole purpose and mission as the church is to bring others to Jesus so he can change their life.**

I firmly believe that Zion Lutheran church makes a difference in our lives. I believe in our mission statement **Serving Christ through serving others.** May we continue to invite our neighbors to Zion Lutheran Church and see how Jesus is changing lives!

Jackie shared that in the meeting she went over fundraisers and that everyone participating and their parents will need to be involved in the fundraisers and also that the high school Sunday School class will be using the youth gathering "Getting Ready" materials for class since they are relative to all students and we request that youth participate in these classes as well as adult sponsors.

WORSHIP & MUSIC – August 23, 2017

Present were: Terri Darrah, Pastor Glawe, Linda Holt and Lori Sebastian.

Pastor began in prayer.

We welcomed Linda Holt! Linda has already graciously agreed to provide trumpet for our 500th anniversary Reformation service. Thank you Linda! We talked about summer special music and thanked appropriate people. The Sunday after Labor Day, we will switch liturgies. Terri updated us on choir plans.

Practices resume after Labor Day (Wednesday at 7PM). Terri has already pulled most music through Christmas. We are starting with 2 part anthems and moving into more challenging material. We will be off Sunday, October 1 and 15, and November 26. If people have interest in providing special music these 3 Sundays, see Lori. Also choir will not rehearse September 27 (youth concert) and November 22 (Thanksgiving week). Many of us are really looking forward to choir resuming because we have a lot of fun!

We talked through altar preparation. Offering both wine and grape juice for communion seems to be accommodating to several in our congregation. The altar guild members were thanked for all those little things they do that go unrecognized (flowers, preparing communion, and cleaning up after the service).

Lori updated us on the organ status. Norm Willoughby is installing the organ this week. (As of the time, of Lori writing this, Norm has finished installation – Friday, August 25th!) Norm installed 2 additional (bass) speakers in the space behind/above where Pastor sits. He was able to rewire the existing speakers for use in the front of the sanctuary with the new used Allen organ. Total cost was \$11,000, which was taken from the organ memorial fund (ample funds were available to cover the expense) – thanks to many in the congregation who made donations! The organ came with a 2 year parts and service warranty. Norm will also return (time to be determined) to give Lori 2 additional instructional lessons. The organ has a lot of bells and whistles!

Pastor Glawe led us in a study about worship. What did we like about our current worship? Various answers: that people participate, that we all sing and worship together, that the kids are involved, that we pray out loud for congregational members. All mentioned the power in hearing everyone collectively participate. Pastor also asked us if worship was centered on Christ? All of us agreed that we felt this was the primary reason of our worship; almost every Sunday Pastor is having us spell J-E-S-U-S from the pulpit! Pastor mentioned we would have some cards printed that would help us invite others who might wish to join our worship. We talked through Reformation ideas. Pastor is going to order a few inserts and medallions to help us center on what the Reformation was about.

Next worship and music meeting we will discuss Reformation themes for each October service. We also discussed possible Christmas Eve times, since service falls on a Sunday. The worship and music committee thought omitting the 10AM service and holding the regular 2 evening services (5PM and 7:30PM) will be the proposal sent to council for approval. This year, since Christmas Day falls on Monday, there will be no worship service then.

Youth Group Fundraising:

This year I want to make our fundraising efforts for Zion Lutheran Youth Gathering Group easier by using a service called FlipGive. We just

shop online with popular brands like Walmart, Apple, Under Armour, Lands End, etc or buy eGift cards to restaurants and our team will earn cash back! If you purchase online with these and more retailers and set up Flipgive this will help our Youth Group get to the Youth Gathering in Houston in 2018.

To get started all you have to do is join the team and shop. We even earn an extra \$5 when you make your first purchase.

Remember to visit our team store before you shop online, eat out, or travel so that our team will earn cash back. This is the easiest way to raise money, and we can actually buy the things we want with no extra fees!

Join the team now:

You can also help by purchasing items through smileamazon.com (when purchasing through amazon) first go to smileamazon.com and it will link up to your amazon account and then select Zion Lutheran Church Tipp City Ohio as your Charity and a small percentage of anything you purchase through smileamazon.com will go to our youth group to help with our funds for the National Youth Gathering in Houston 2018.

Feel free to share this with friends!

GUESS WHO'S BACK?! ...

I will give you a hint . . . **THEY ARE PINK** . . . Yep that's right the Flamingo's are back! And they have already visited several yards. If you receive a flock of these cute little plastic pink darlings you should also find a letter somewhere around your front door with instructions. It may make any amount of donation to the Youth Gathering Fund and let and let Jackie Glawe know where you would like this flock to fly to next. You may also purchase **ANTI-FLOCKING INSURANCE** suggested donation \$10.00 (forms are located on the table by the Walnut St. entrance). If you wish not to participate in this, that's ok too, just add your name to the **NO CALL/NO FLOCK** list located on the table by the Walnut St. entrance or let Jackie know.

P.S. Thank you in advance for letting our youth enjoy this fun fundraiser. They have begged me since the last flocking in 2015 to do this again. The best thing is not only does it help with our fundraising but the youth have so much fun doing it. They get to know each other better and bond as a team. I also think many adults get to have fun with sending these little surprises to their friends and family. Feel free to share outside of our congregation however, you may want to give them a little heads up to keep our youth safe when making deliveries.

Please have all information to be included in the October tidings in by Wednesday, September 20.
