

Sunday School 2020

Sunday School will look a little different for 2020/2021 than it has in the past due to Covid 19, but that's ok. We at Zion are excited to offer some new and different ways to keep your children and youth connected to God no matter the circumstances. No matter what is happening in this world God is always with us and it's so important that we continue to keep hope in God's promises.

We will not be meeting in person for Sundays for now, however we will be offering video virtual based lessons for your child to watch and participate in on "your" schedule and complete the activity.

Prek - 6th grade virtual Sunday School through the week.

Every other Sunday a new video will be posted for viewing on the Zion website. The video will be available on the website on Saturday evening.
