*“Serving Christ through Serving Others”*

## God Given Gifts

*Do not be conformed to this age, but be transformed by the renewing of the mind, so that you may discern what is the will of God—what is good and acceptable and perfect. For as in one body we have many members, and not all the members have the same function, so we, who are many, are one body in Christ, and individually we are members one of another. We have gifts that differ according to the grace given to us. Romans 12:2,4-6a*

Rodney had been coming to worship for two years. He never said much, he would come sit in the back and leave right after worship. No one in the congregation thought much of it, because we all knew Rodney was poor and had some mental and emotional challenges. One Sunday morning I announced that one of our partner churches needed help with their food pantry and to everyone’s surprise Rodney was the first to volunteer. The next evening, Rodney, myself and three other members from the church went and worked for three hours – putting out food, helping people to the car, and helping people to shop. Rodney worked hard doing everything he was told to do. On the drive home Rodney asked, “When will we be going back”? Those six words were the most I had ever heard him say at one time. Those six words were also the beginning of an amazing transformation. For the next three years, on the third Monday of each month, Rodney was ready and waiting for me to pick him up to go volunteer at the food pantry. Each month he began to open up a little bit more and each month his participation at our church grew as well. Within a year Rodney was getting to church at 7:30 every Sunday morning. He would put out the coffee and pastries that were a part of our Sunday morning breakfast. After breakfast was over, he would go upstairs and get the communion ready for worship. When it was time, he would light the altar candles. After worship, he was back downstairs to help clean up from breakfast. Over time, Rodney stopped sitting in the back of the sanctuary and began sitting in the second row. He prayed out loud during prayer time and sang fervently for the Lord. Being able to use the gifts God had given him, transformed Rodney in a way none of us could explain, but the transformation did not stop with Rodney. The congregation was also transformed as they learned the importance of allowing everyone to use their gifts. Everyone – and I mean everyone - has been gifted by God. Young, old, rich, poor, black, brown, white, able bodied, physically challenged, emotionally challenged or of sound mind - Everyone has gifts given to them by God and each of us are called to use those gifts. Take a minute and ask yourself, how are you using your gifts? I want to encourage everyone to use their gifts as part of the body of Christ and if you see gifts in others, encourage them as a friend to use their gifts for the glory of God.

## Mission of the Month

## *Indian Lake Tornado Relief*

Money is needed to help tornado victims. Many residents in the Indian Lake vicinity are homeless and have lost everything. Others have sustained heavy damage to their homes. Your donations will be collected in a "Tornado Fund" canister during the month of May. Please make checks out to Zion Lutheran Church and write "tornado fund" on the memo line. 100% of the donations will be given to those in need through the Galilee Lutheran Church in Russels Point.

Any questions contact Kathy Groth.

## *This will add to previous relief*

Church Council voted to add \$1,670 from our Samaritan Fund to the \$330 that Women of Zion are donating to assist those in need at Indian Lake. The \$2,000 donation is being given to Galilee Lutheran Church in Russels Point. They said they are receiving many, many requests for aid and they are extremely grateful for our help. Just another way we are "Serving Christ Through Serving Others".

## Upcoming Events

### Relay For Life

May 19<sup>th</sup>, 3:00 pm – Relay for Life Team Meeting

June 9<sup>th</sup>, 3:00 pm – Relay for Life Team Meeting

June 15<sup>th</sup>, 10:00 am – 11:00 pm – Relay for Life Miami Co. Fairgrounds  
9:00 pm – Luminaria Ceremony

Relay For Life of Miami County will be **June 15, 10 am - 11 pm** at the Miami County Fairgrounds. Perhaps you have wondered what happens at the Relay For Life event. It begins with the Opening Ceremony at 10 am followed by the survivor/caregiver lap. Then team members begin walking the track. Each team is asked to have at least one member on the track at all times. Teams also set up booths where they give out food, crafts, and other items for donations. Some teams also have games or other activities.

All cancer survivors are invited to the Survivor Luncheon at 11:30 am. Each survivor may bring one guest to the lunch. Survivors who are pre-registered will receive a gift bag.

A DJ provides music throughout the day. There are activities such as a frozen t-shirt contest, a Miss Relay contest (guys dress up like girls and walk around getting donations), and more. You may bring your dog with you as long as the dog is on a leash, and you clean up after them.

As it begins to get dark, all the luminaries are lit. Each luminaria is dedicated in memory of someone who had cancer, in honor of a cancer survivor, or in support of someone who is battling cancer. Then at 9 pm we have the Luminaria Ceremony which includes the reading of all the names. The day ends with the Closing Ceremony. Then everyone is asked to walk one final lap, the first lap of 2025.

Holy Walkamolies For the Cure will continue selling **luminaries** until June 9. However, luminaria orders turned in by May 19 will help us win the Luminaria Challenge. Our team has won this challenge the last two years. Cost of the luminaries is \$10 each. See Debbie Rudisill, or another team member, for an order form. You may **make a donation** to our team at <http://www.RelayForLife.org/MiamiCounty>. Select Holy Walkamolies For the Cure when asked who you are supporting. Or you may give a check payable to American Cancer Society to any team member. We thank you for your support.

There is still time to be a part of our team. Our next team meeting will be **May 19, 3 pm** in the adult Sunday school room. At that meeting we will start scheduling walkers and booth workers. For questions, see Debbie Rudisill, team captain.

## Bunco Night

The Communications/Welcoming Committee is hosting a Bunco Night on **May 18<sup>th</sup>, 6:00 pm**, after Saturday service. Even if you don't know how to play, it's easy and we will teach you.

Pizza will be provided (a freewill offering to cover the cost will be taken). Please BYO beverage and a snack to share.

Sign up in the fellowship hallway.

## Tipp City Pizza & Duckpin Bowling

Enjoy pizza and bowling on **June 23<sup>rd</sup>, 11:30 – 1:30.** Duckpin Bowling is a variation of standard 10-pin bowling. It is a shorter lane, smaller ball, and lighter pins. Each player gets two rolls per frame in an attempt to knock down all their pins. You do not need special bowling shoes!

The cost of bowling is covered for 32 people (a freewill offering will be taken), but you will be responsible to pay for your pizza and beverages. Sign up in the fellowship hallway.

## Dragons – Save the Date

Mark your calendars for Zion Night at the Dayton Dragons, **August 10<sup>th</sup>** at 7:05 p.m. The cost is \$14. The Dragons need a **count from us by the end of June** so a sign-up sheet is in the fellowship hallway. More details to come in June Tidings and in upcoming bulletins.

## Call Committee Update

Beginning in spring 2022, the Call Committee was formed. Since that time, we have interviewed 12 candidates. At this writing, we are beginning the call process for the 13<sup>th</sup> candidate. I had a conversation with Pastor Bob Abrams, Assistant to Bishop Suzanne Dillahunt. He assured me that Zion does not have any glaring flaws that would make a candidate not want to be our pastor. He said that there is a national problem: There are not enough seminary graduates. Some candidates want to be closer to family, some want to be in an urban setting, some have felt that we are not the right fit for them. We have been fortunate in having many candidates to interview. And we are so thankful that we've had Pastor Dale and now Pastor Sally to be our interims. So, we are continuing our search. God will send the right one to us in His time. We ask that you continue to pray for Zion, Council and the Call Committee.

## WELCA and Chalk Talk

About 50 members of Zion and the Tipp City community were treated to a presentation by artist Elva Hurst from Lancaster County, Pennsylvania on Sunday, April 14. Elva, a self-taught artist, shared her faith, her story and her art through music, narration and a chalk drawing that was inspiring and beautiful. Elva presented seven Chalk Talks - each one on a different theme - during her three-day visit to the Miami Valley area. At Zion, her Chalk Talk was entitled "Patchwork Memories" in honor of the work our Zion quilters do every week. We are thrilled that Elva gifted us with her chalk drawing created that evening. It will be preserved, mounted and displayed somewhere in Zion's building.

## Thank You

Dear Friends at Zion Church,

I can't thank you enough for your prayers, cards, phone calls and caring when I was so sick in the hospital and now, for this absolutely beautiful prayer shawl. I love it! Thank you, Thank you! You are the most loving congregation and I'm so very grateful for you! I was in the hospital for 8 days fighting a very bad infection, came home and returned to have a kidney stone removed and another 3 days in the hospital. But I'm good now, just working at getting energy back. You are a wonderful church and Dale & I hope to visit often.

Love in Christ,  
Ginger Schaefer

## Take Pictures Please

Photos make Tidings more interesting! Zion has so many great activities and I'm always asking for photos of them. You don't need to be a "photographer". Unless you are still using a flip phone, you have a camera in your cell phone that you carry with you. Take photos at our activities and send them to me at [office@ziontippcity.org](mailto:office@ziontippcity.org).

These photos also create a photographic history of Zion, and there is going to be a large photo section on our web site using these pictures. Even if I don't have space in Tidings for all that are sent to me, they will be included in our website. Thank you in advance!!

Annette

## We Need Bicentennial Celebration Planners

March 3, 1826 was the date that our church was planted in Tipp City. The Bicentennial of Zion is a major milestone and we want to celebrate accordingly. **The Council wants to put together a planning committee of approximately six people to plan multiple celebrations.** If you are interested in serving on the committee, please leave your name with Annette (Office Admin) or Denise Jacobs (Council President).

## Zion History Part 3

The corner stone for the new church was laid on July 16, 1847. Dr. Ezra Keller, the first president of Wittenberg University, preached in English followed by the Reverend G.H. Reimsneider who preached in German. (Reimsneider was a brother of Pastor Link's wife.) This new church, was the talk of the county! A magnificent structure for its time and place. Brick of local manufacture was used in its construction, and no cost was spared in the quality and beauty of the building. How proud our forebears must have been! What a change they witnessed! From a humble log hut to magnificent brick church in the space of only twenty-one years. These were dedicated Lutherans.

It is well at this time to mention John Ritter once more. Without his generosity and dedication to his church, the 1847 building might never have been constructed. Further, upon his death on November 11, 1862, he bequeathed a lot on the corner of Main and Third Streets and two thousand dollars for the purpose of building a parsonage. The parsonage was built and there it stood until 1920.

Pastor Link took his leave of our church in 1848 to answer a call in Lancaster, Ohio. He was followed by Pastors Aughe, Harris and Schauer, but returned as our Pastor in June of 1861. He served here until his death on March 30, 1862. Pastor Link was only forty-two. He was well known and respected in this area. As a result, his funeral was so well attended it had to be held in the Methodist Church, as it was the largest building available at the time.

Sometime during the period of 1847 and 1850, our church began to be known as the English Lutheran Church. We suspect because it had become fashionable to forsake one's old country language and speak only English. However, some adhering to the custom of the "hard headed German" formed the German Lutheran Church and were permitted to meet in the English Church. This happy and peaceful arrangement continued until 1878 when the German faction constructed their own church on the corner of Third and South streets. This congregation went out of existence in 1917. It is suspected the anti-German feelings of the First World War had something to do with their demise. A number of the German members drifted back to our congregation in the ensuing years. The old German Church still stands in a much-remodeled condition at Third and South Streets, and has been utilized by several denominations through the years.

## Congrats 2024 Graduates!

Congratulations to Allison Cartwright, Elijah Johnson, and Julie Sebastian on their high school graduation! We hope that your future endeavors are blessed by God.

Allison Cartwright is graduating from Bethel High School. During high school, she participated in women's soccer, marching band, academic team, National Honor Society, and photography club. Outside of school, she earned her Eagle Scout rank, is a 9-time blood donor, and participates in 4-H. She is majoring in Pre-Occupational Therapy.

Elijah graduates from Dayton Regional Stem School this year. He has a minor in Engineering sciences, and is going to the University of Dayton to study wildlife biology this fall. He has been in Boy Scouts, and is a Life Guard at the YMCA.

Julie Sebastian will graduate from Bethel High School on May 19. She played soccer and participated in track all 4 years. She sang in the mixed choir, was active in HOPE Squad, participated in county, district, and state science fairs for 8 years, and was inducted to the National Honor Society. Julie plans to attend the University of Dayton and major in computer science. Julie is currently working at Five Below, and has applied for a summer internship through Strategic Ohio Council for Higher Education.

## Solar Eclipse Party Booth

Kudos to Deb Keppel (with assistance from Bob) who spearheaded this project and had to work around a popcorn machine that tripped breakers, was malfunctioning and burned the popcorn. So, she came in early to pop it manually in the kitchen. Sadly, all that effort was unrewarded. We were only charging \$1.00 each for the popcorn and bottled water with proceeds going to the relief efforts at Indian Lake. In spite of good signage and good prices, the Methodist church was giving away lunch and we only made \$30 with that competition.

Attending the booth are Mitch & Cindy Tayse

On the positive side, Zion participated in another community event and Women of Zion added \$300 to the \$30 to send for the relief efforts. Thanks to the Tayse's, Judy Tritle, Chris & Carla Frame, Katie, Hannah and Marissa Kessler who assisted.

## Worship & Music Committee

April 17, 2024

On Wednesday, April 17, 2024, the Worship and Music Committee met. Attending were: Carla Frame, Susie Gray, Bill Jones, Deb Keppel, Lil Nichols, Pastor Sally Padgett, and Lori Sebastian.

Pastor Sally began the meeting with a prayer. Lori thanked the choir, altar guild, pastor, secretary, and other instrumentalists for all their work during Holy Week. Upcoming Dates:

- a. Mothers' Day – May 11/12. Each mother will receive a carnation.
- b. Pentecost – May 18/19 with Choir Sunday on May 19.
- c. Holy Trinity – May 25/26

For special musicians, Adena Brass (thanks to Linda Holt) will be providing music on Sunday, April 28<sup>th</sup>. Kristen Zimmann will be providing flute on May 12. We are looking for people to provide special music this summer. Thank you to Allison Cartwright for her years of playing and we wish her well as she attends college. Therefore, this fall, we are looking for a Saturday evening accompanist (would be a paid position) for a couple Saturdays each month. If interested, see Lori Sebastian.

Bill and Susie gave vocal choir updates. Bill is finalizing the selections for Choir Sunday and has a full listing for the remainder of the year. Lori mentioned bells rang April 7<sup>th</sup>, and we will try to ring again sometime in June.

Carla gave altar updates. Carla showed potential designs for Pentecost banners. Thank you to Denise Jacobs who will be creating these new banners. The altar guild continues to look at possibilities for a new intinction set for communion. We also discussed the Christ Candle and appropriate times to light it.

Lori asked for direction on the liturgy. We will continue through Pentecost with the full liturgy. We will introduce a new offertory canticle – ELW 691 – *Accept O Lord, the Gifts We Bring* the remainder of the Easter season. This summer, we will provide a simplified liturgy – likely introducing a new hymn from All Creations Sings and returning offertory canticles *Take My Life and Let it Be* – ELW 583 and *Let Us Talents and Tongues Employ* – ELW 674. We will change to a different liturgy setting in the fall.

Our next meeting date is Wednesday, **September 11<sup>th</sup> at 6:00 pm**

## Thrivent T-Shirts

The free Thrivent have been relocated out of the cardboard boxes into blue bins with the sizes well marked.

They have also been moved from the center of the coat rack to the side closest to the Walnut St. door.

Help yourself!

## Suo Gan

A Welsh composer wrote the tune Suo Gan during the early 1800s. While no one knows the name of the composer, Welsh poet Robert Bryan penned a lullaby that was set to the tune, and then the tune became more well known. Interestingly, the name Suo Gan literally means “lullaby.” The choir sang this tune multiple times this past year. The congregation sang the tune in December and in March.

Suo Gan appears in our Evangelical Lutheran Worship twice. Once in Advent - “Now the Heavens Start to Whisper” (901) and once in Lent – “As the Winter Days Grow Longer” (924). There is also a third newer Easter text “Christ Has Risen While Earth Slumbers” (938) that also fits well with this tune.

The Easter text “Christ Has Risen While Earth Slumbers”

- |  |  |
|--|--|
| <p>1. Christ has risen while earth slumbers,<br/>Christ has risen where hope died,<br/>As he said and as he promised,<br/>As we doubted and denied.<br/>Let the moon embrace the blessing;<br/>Let the sun sustain the cheer;<br/>Let the world confirm the rumor:<br/>Christ is risen, God is here!</p> <p>2. Christ has risen for the people<br/>Whom he died to love and save;<br/>Christ has risen for the women<br/>Bringing flowers to grace his grave.<br/>Christ has risen for disciples<br/>Huddled in an upstairs room.<br/>He whose word inspired creation<br/>Can't be silenced by the tomb.</p> | <p>3. Christ has risen to companion<br/>Former friends who fear the night,<br/>Sensing loss and limitation<br/>Where their faith had once burned bright.<br/>They bemoan what is no longer,<br/>They expect no hopeful sign<br/>Till Christ ends their conversation,<br/>Breaking bread and sharing wine.</p> <p>4. Christ has risen and for ever<br/>Lives to challenge and to change<br/>All whose lives are messed or mangled,<br/>All who find religion strange.<br/>Christ is risen, Christ is present<br/>Making us what he has been:<br/>Evidence of transformation<br/>In which God is known and seen.</p> |
